

CIVIL SERVICE EMPLOYEES ASSOCIATION
SYRACUSE STATE LOCAL 013

4-13-10

Membership Meeting

Tony's Restaurant

Burnet Ave

5:30pm

Officers Present: King S. Davis, Sharon E. Hoth, Aundra Johnson, Greg Duck and Joanne Mathews, and Frank Antanucci our Regional LRS.

Minutes: The minutes from the November 2009 meeting were available for review and a motion was made to accept the minutes and the motion passed.

Treasurers Report: The reports from 10-31 thru March 2010 were available for review and a motion was made to accept all the reports and the motion passed.

Committees:

PAC/PEOPLES: Roles and responsibilities of the committee, meeting date. This committee interviews candidates running for office and the meetings are usually held after 5pm and if you have an interview during the day you may use EOL, King will have to talk to your agencies.

Pay increase due 4/28/10, will be late as the governor has not allowed for them in the emergency budget and they should be retroactive when the budget is passed.

The longevity checks will be issued. CSEA is filing a grievance that may be moot by the time it goes through the process as the budget should be passed by then. There may be furloughs.

Health and Safety Conference: This is to be held in Lake Placid the first weekend in May and Greg and Aundra will be attending.

Events: The Clambake is all set, the giveaways have been ordered and the committee needs to meet 1 more time to finalize things and the meeting will be scheduled at the end of this membership meeting.

There will be a Christmas party Dec 10, 2010 at the Ramada Inn and depending on the turn out will decide if there will be another one. We will give it one more try, so it is up to the members.

Grievance: There needs to be a meeting set up ASAP. There is training coming up 6-9-2010. You need to call the regional office if interested at 433-0050. Just because you take the training does not mean you are automatically a rep, Kings needs to appoint you.

Website: A big thanks to Connie Fritz and her committee for all they have done to get our site up and running. CSEA, Inc. is considering hiring our designer to do something for the other Locals. Great job. The flyers have been mailed out. Please go on and check it out.

Irving Flaunnenbaum Memorial Scholarship: King has the applications if you are interested. They are new ones so do not use any old ones from last year. They are due by 4-23-10.

Paperless Announcements: Dept of Civil Service is not printing the announcements anymore, so you now have check out their web site. CSEA has filed a grievance citing that everyone does not have access to the web.

Tuition Benefit Program: There is a new schedule out-your agencies should have them and if not check the web.

Danny Donahue: Danny is running for AFSCME Secretary/Treasurer, there are also raffle tickets on sale in which the proceeds will go toward paying for his run for his new position; they are \$5.00 for 3, 1st prize, Flat Screen TV.

A motion to adjourn was made at 6:35pm and the motion passed.

Respectfully submitted,

Sharon E. Hoth(sec)
